7. Search Period

Search Period hardly matters in a logger event because target teams will find markers dropped inside MSA. However, we remind you the rule 6.11.2. 10 points for each full or not full minute of the delay may apply. Initial time for this penalty will be 1,5 hour after the end of a scoring period of the latest task of the flight.

Permanently lost markers cost 10 EUR each, to the competitor.

Lost or damaged logger will cost to the competitor:

FEES FOR LOST/DAMAGED ITEMS
Logger: 600 EUR
Display: 150 EUR
Broken housing: 50 EUR
Charger: 20 EUR
SD-Card, Bag, Marker: 10 EUR
